

## **PARTNERSHIP SCHEME**

We are a British handcrafting company that design, manufacture and construct top quality, award winning play products and projects for schools.

Pendlewood's passion is to produce creative, imaginative, eco-friendly solutions for our schools' needs and desires. For over 13 years now we have been utilising traditional and environmentally friendly values and ethics while delivering the very best in contemporary and cutting edge products, and we like to think that whatever is asked for we can provide.

We are always actively and enthusiastically searching to find schools that are keen to become part of our development partnership.

There are many advantages for schools that enter into a partnership with Pendlewood:

- Bespoke, handcrafted, innovative play structures made to suit YOUR school's needs
- Heavily discounted inducement prices
- Free maintenance checks every six months, during the first two years (from installation)
- Designs that comply to BS/EN 1176
- You will be dealing with a company who are fully accredited members of the Association of Play Industries (API) – an organisation that is regarded as THE leading trade body within the UK play sector
- All products will be designed and installed by our in-house team of experts
- Dealing with a local company that cares about our the environment... and backs up their words with commitment and actions
- Help Pendlewood increase our awareness of the needs of both pupils and staff
- The opportunity to be at the cutting edge of play and educational designed equipment
- The chance to develop new ideas and projects with us. We also run competitions to challenge your pupils to come up with ideas and sketches... and we from this build the winning entry!
  
- The winning pupil and some friends are invited to Pendlewood HQ to inspect the product – and if permitted we allow them to get involved with some of the final assembly!

In addition, we offer fantastic marketing opportunities to the schools which will help to raise awareness of your school's achievements in outdoor education provision. As well as raising the profile and intake opportunities of your own establishment, we also offer referral discounts of £350 off your next purchase from Pendlewood, if any school that visits yourselves, places an order with us.
